Training for Employees

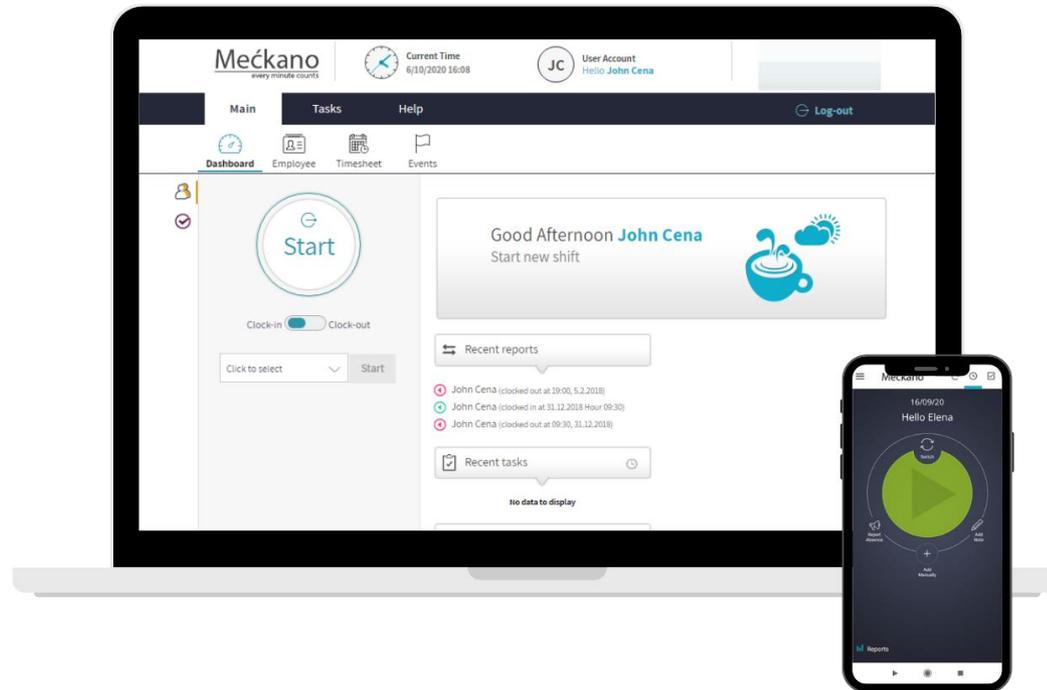

Clocking attendance on the app

Welcome!

Welcome to Meckano - The Time Clock System!

We hope you enjoy using the application!

Here is a brief explanation on how to use it, and our contact details.

Application

Downloading the App and Logging In

We'll send you an SMS from the Meckano system, including your login details:

Tap the download link you were sent to go directly to the download menu on your device's app store.

If you didn't receive an SMS to your mobile device, you can download the app from the application stores (App Store or Google Play) by entering meckano in the search window.

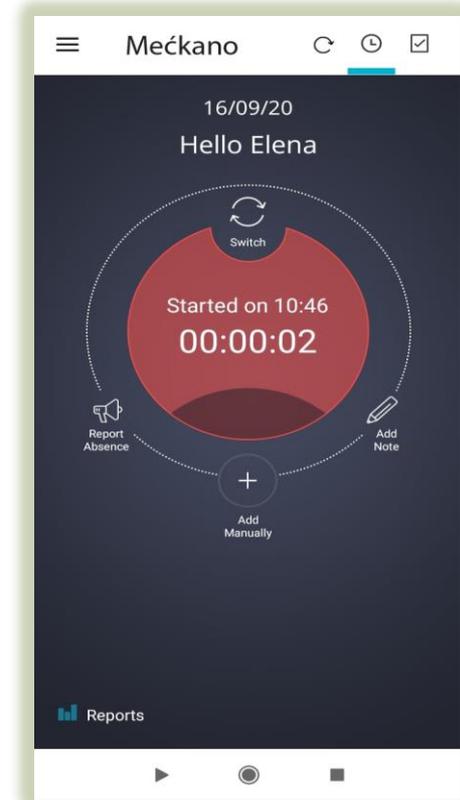

Logging Into the System

Please note -

You can only login to your user account on the app with the email address in the Meckano system. The same one you used to get an SMS to your phone or to your inbox!

The app is also available in 8 languages:

- ✓ French
- ✓ Spanish
- ✓ Russian
- ✓ Polish
- ✓ Hebrew
- ✓ German
- ✓ English
- ✓ Arabic

The App Buttons

Access the Meckano app settings

Button to change reporting action (clock in/out)

Report Absence

Add note

Add Note

View personal monthly report

Reports

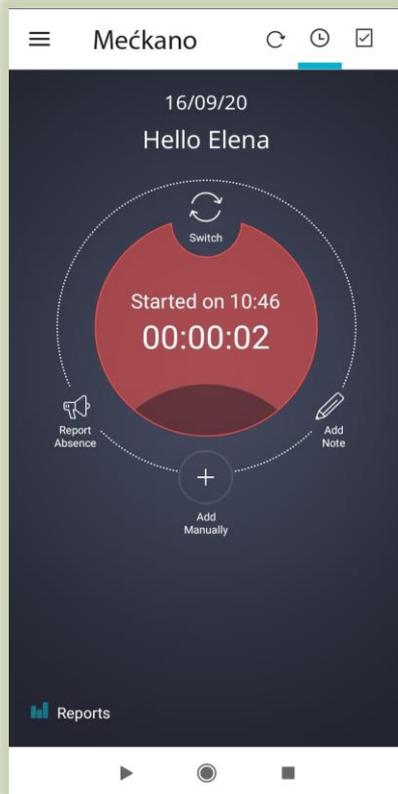

Add manually - manually clock in/out
Tapping the button will lead to an update day screen, where you can update manually

Add Manually

Reporting Attendance - Clock In/Out

Red button –
used to clock out

Green button –
used to clock in

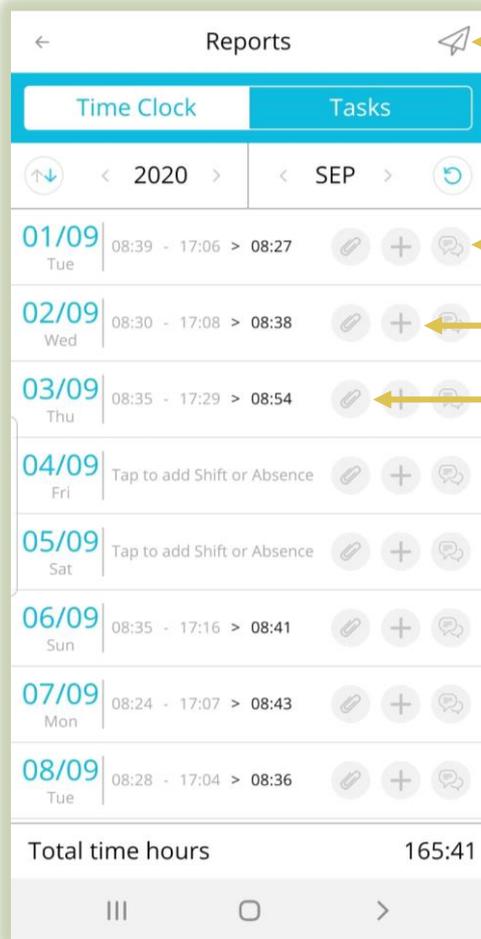

Options for Using the Application

When employees are given appropriate permissions, they can:

- Edit/correct their personal attendance reports
- Add personal notes to the attendance reports
- Update events, such as: vacation / sick day / reserve duty, etc.
- View and monitor the personal attendance report throughout the month (including the total cumulative hours as of the date checked)
- View past reports (by relevant month + year)
- Add documents: doctor's note / reserve duty days, etc.

Note - all changes made to the report are forwarded to a manager for approval

View Personal Reports Screen

Email report

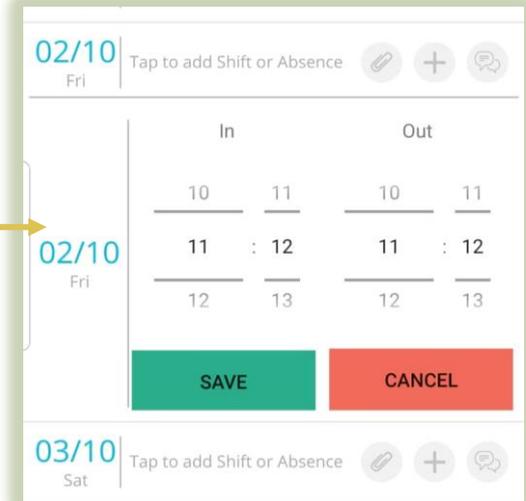

Refresh

Add note

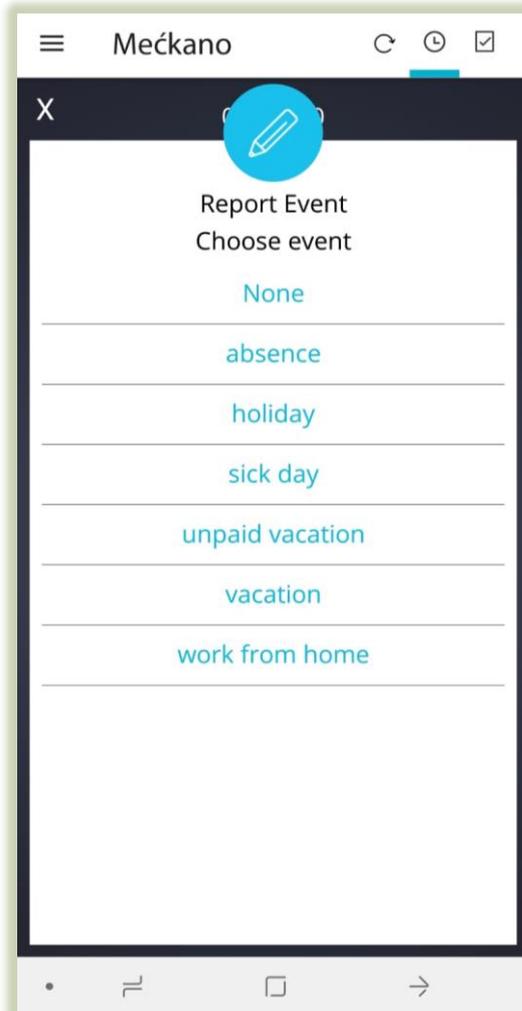

Update shift

Add a file

Total time in hours
Updated online

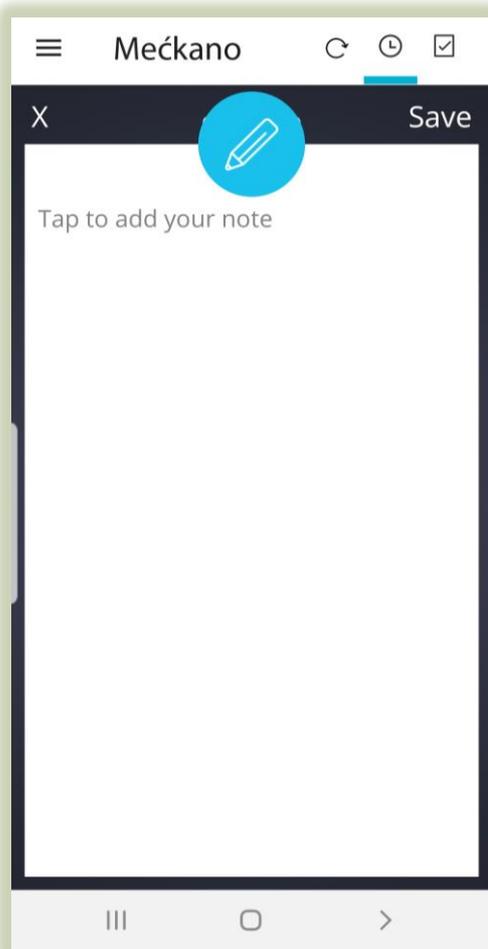

Update Absence Event Screen

To update an event, choose the reason for the absence from the list

Add Note Screen

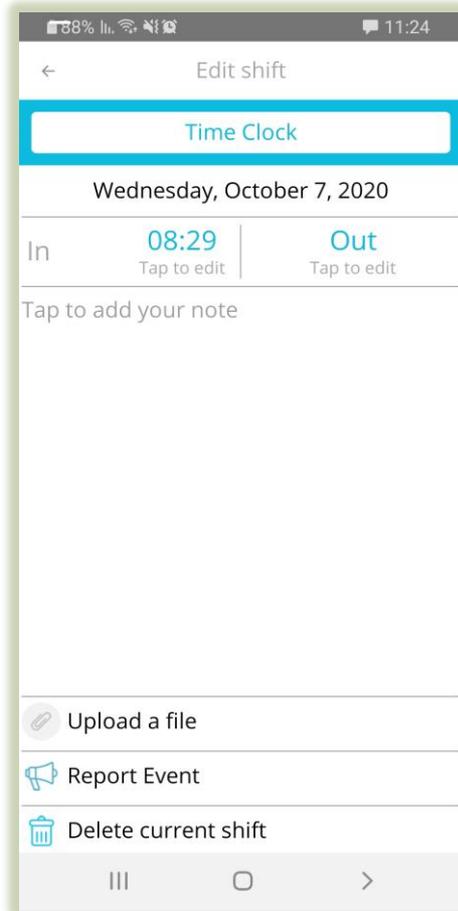

You can add a note to the current shift-
The note will appear in the attendance report next to the date.

Add Manual Report Screen

If needed, you can upload a manual report that will be sent to the system administrator for approval.

- ← Add a file
- ← Report event
- ← Delete shift

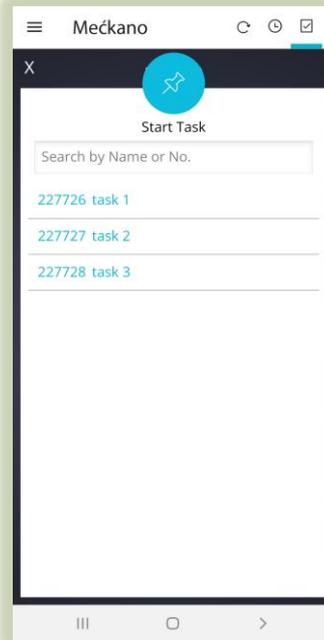

Update Task Screen

When reporting a task, you don't need to clock in on the main page, you can report the task directly. Do this by swiping the screen left or tapping the button at the top of the screen.

Tap the blue button to start a shift and select a task

Select a task from the table

Tap the red button to end a task

Update Task Screen

You can manually report and add a note from the main screen without going directly into the attendance report

Go to the Add task manually screen

Go to the Add note screen

We're here to answer any question you may have!
